Brand New Book ***** Print on Demand *****.Excerpt from History of the Town of Houlton, Maine, From 1804 to 1883 Since of late it has become customary to give the historical account of towns in New England, the writer of the following has, from the novel and extraordinary circumstances under which Houlton was settled, been induced to make a brief statement of facts connected with its rise and progress, for a series of years; and to give a simple, unvarnished statement of facts as they occurred. As the primitive inhabitants have principally, (as must be expected,) passed from the theatre of action, perhaps there is no one more familiar with the incidents of the early history of that little colony, who would have taken upon himself the trouble and assumed the responsibility of the task, than the writer. The reader must be sensible that the circumstances and events as they occurred, are of such a heterogeneous character, that they must appear, even if judiciously arranged, in a desultory, chaotic state, which would require the gifts and genius of a Kane or a Livingston to embody in a form and phraseology that would endure the criticism of a historian.
