Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

And all this is knowledge worth knowing! Vain wisdom all, and false philosophy, following a conceited spirit, and seeing--nothing Never was there a man who illustrated more thoroughly in himself the pungent satire of Dean Mansel-- Professors we, from over the sea, From the land where Professors in plenty be; And we thrive and flourish, as well we may, In the land that produced one Kant with a K, And many a Cant with a C. Where Hegel taught, to his profit and fame, That something and nothing were one and the same; The absolute difference never a jot being Twixt having and not having, being and not being. Where, reared by Oken s plastic hands, The eternal nothing of Nature stands; And Theology sits on her throne of pride, As Arithmetic personified. Where Bauer can prove that true Theology Is special and general Anthropology; And the essence of worship is only to find The realized God in the human mind. Where Fuerbach shows how Religion began From the deified feelings and wants of man. Or rise to a gladder and livelier strain, For great God Pan is alive again; He lives and he reigns once more. With deep intuition and mystic rite We worship the Absolute-Infinite, The Universe-Ego, the Plenary-Void, The Subject-Object identified, The great Nothing-Something, the Being-Thought, That mouldeth the mass of Chaotic it ought; Whose beginning unended, whose end unbegun, Is the One that...
