Brand New Book ***** Print on Demand *****.While approximately one in five brides is pregnant on her wedding day, and bridal stores and other wedding service providers do accommodate the pregnant bride, catering to the pregnant bride is not seen as a selling point in the wider scheme of things. The pregnant bride will need to consider a variety of things that don t need to be on the radar for a bride who is not pregnant, but these variables can prompt you to think outside of the box and enable you to create an extra-special experience for everyone present. The Pregnant Bride s Guide to a Stress-Free Wedding will be a invaluable aid in the process, helping you pull together the wedding of your dreams.
