The Secret Anatomy of Candles

By Quentin Smith

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, The Secret Anatomy of Candles, Quentin Smith, The Secret Anatomy of Candles is a medico-legal mystery drama, written by a doctor, which is set predominantly in Durham City and the north east of England. Jasper Candle is a ruthless compensation lawyer who finds blame behind every misadventure. But when 3 year old Ollie dies because of the measles vaccination controversy, a man recovering from cancer surgery also perishes as a result of an infection caught from another sick patient, and Jasper's wife commits suicide in mysterious circumstances, Jasper's convictions are tested to the limit. Investigating the enigmatic death of his wife, Jasper uncovers a devastating family secret running in his family which forced an impossible choice upon her. As the investigation unfolds Jasper finds blame for her death increasingly difficult to apportion, something he is not accustomed to, and this re-examination of culpability conflicts strongly with his professional convictions and practices. In the end, finding somebody to blame for every event is not always that simple, that appropriate, nor that desirable. Jasper always tells his clients that blame facilitates closure, but ultimately finds that neither blame nor closure can heal everything.

Reviews

Very good electronic book and useful one. it absolutely was writtern extremely completely and useful. You will not feel monotony at at any moment of your respective time (that's what catalogs are for relating to when you question me).
-- ***Prof. Noah Zemlak DDS***

Absolutely among the best publication I have got at any time go through. It really is writter in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.
