Studies in the Dynamics of Behavior (Classic Reprint) (Paperback)

By Calvin P Stone

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Studies in the Dynamics of Behavior For an understanding of the social behavior of the individual a knowledge of the sources and nature of the motives which determine conduct is of fundamental importance. Our educational facilities have been mobilized chiefly to provide for the intellectual training of those who have the interest and will to learn, and techniques for the development and control of social attitudes lag far behind those for technical or intellectual training. The gifted youth who says, I would rather be known as one who could, if he would, than succeed in anything, is a far more difficult problem and a more questionable social asset than the less-gifted plodder. It is far easier to teach the habitual delinquent the fundamentals of arithmetic than conformity to the accepted social code. As yet, there are scarcely any recognized methods for developing the social attitudes which contribute to make the individual a useful member of society. We muddle along with precept and example, pretty successfully as a rule, but are often hopelessly at a loss...
