Haiti's Future: Views of Twelve Haitian Leaders

By Richard M. Morse

Wilson Centre Press,U.S. Paperback. Book Condition: new. BRAND NEW, Haiti's Future: Views of Twelve Haitian Leaders, Richard M. Morse, Once again Haiti is at a crossroads, reminiscent of the historic moment in 1804 when the seams of society were rent asunder and existential choices lay ahead. Then, as now, the common denominator is the people's freedom - although today a specifically "democratic" freedom, however one chooses to define it. Now, as then, overwhelming questions remain unanswered. In this pathbreaking volume, noted scholar Richard M. Morse brings together a distinguished group of contributors to offer a variety of unique views on Haiti's future. The authors represent many constituencies, including the press, workers and peasants, women, intellectuals, youth, business, religion, and the government, as well as outside observers with a special interest in Haitian affairs. Reflecting the common priorities of persons who represent leadership in diverse walks of life, Haiti's Future explores the ways in which the country's "usable past" may ultimately serve as the foundation for a stable and democratic future. Contributors: David E. Apter, Professor of Political Science and Sociology, Yale University; Myrtho Bonhomme, Press counselor, Embassy of Haiti, Washington; Jean Casimir, United Nations Economic Commission for Latin America and...

Reviews

This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at at any time of your own time (that's what catalogs are for about if you request me).

-- ***Leslie Reinger***

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
