Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Everything you need to know about prosperity, manifestation and the spiritual side of abundance is right here in this small volume. NOTE: This is a new edition of the class work, not a scanned reproduction with lots of weird characters. It does contain every word of the original, plus an Introduction and comments by Richard Stooker, author of Income Investing Secrets. Before The Secret, the Law of Attraction, Joe Vitale, Catherine Ponder, Randy Gage, Jose Silva, Anthony Robbins, Bob Proctor, Robert Anthony, and so many others -- including the far more famous Napoleon Hill, a retired president of colleges for women published a short volume in the final year of World War I. As the author of Income Investing Secrets, I often hear how people can t afford to save money. That s why I decided to bring this classic work of prosperous thinking back into print,...
