Press Desk Limited. Paperback. Book Condition: new. BRAND NEW, Finding Shannon: The Inside Story, Richard Edwards, On 19 February 2008, a little girl was reported missing. The same thing happens somewhere in Britain every day. Usually they turn up a few hours later, unharmed, having stayed with relatives or slept over at a friend's house, but a few do not. Shannon Matthews did not return and as the days and weeks went by, her whereabouts and her fate became front page news throughout Britain and around the world. And when Shannon was eventually found 24 days later, it was in circumstances that were more shocking and starling than the most lurid tabloid speculation. Now, for the first time, the inside story of the Shannon Matthews' case is told by the one man granted access to the closed world of Shannon's family and the Dewsbury Moor estate on which she lived. In "Finding Shannon - The Inside Story", Richard Edwards reveals the full, inside story of the case that gripped the entire nation and also casts a searching light on what the often vicious media coverage of the estate and its inhabitants says about Britain today.
