If action is not taken to stop this process now, by the time people decide to resist, a full dictatorship may prevent them from doing so. LaRouche has sounded the alarm, and the action must follow: to oust Obama and his corrupt cronies, like Speaker of the House John Boehner, and turn to the global alliance which is shaping a real future. The hope is that leadership in the U.S. will emerge to link up with that of the BRICS nations, which are expressing a new spirit of the age for human creativity and progress....
