Selected Poems: Vol 2 (Paperback)

By Atwood

HOUGHTON MIFFLIN, United States, 1996. Paperback. Book Condition: New. 2nd edition. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.The evolution of Margaret Atwood s poetry since she began writing it twenty-five years ago illuminates one of our major literary talents. Selected Poems II contains seventy-three poems, some of them extensive, drawn from her work since 1975, and it includes a number of poems never previously published in the United States. As in her fiction (Surfacing, Lady Oracle, Life Before Man, The Handmaid s Tale, Bluebeard s Egg) Atwood ruminates on oppression and injustice and on the genders and their discontents, but beyond these surface dissonances we hear the music of compassion and fellowship and love.
