Brand New Book ***** Print on Demand *****.Visual Project Management: Simplifying Project Execution to Deliver On Time and On Budget is a groundbreaking addition to the project management body of knowledge. This work, based on extensive research and testing, is a practical project delivery practice guide, providing the principles and practices you need to deliver your projects on time within budget. Combining elements from the PMBOK(r), Agile, Lean and the Theory of Constraints, Woeppel lays out a framework to speed the completion of any project while reducing risk and holding the line on budgets. In the book, Woeppel makes the case that project managers should take an active ownership role in the process of delivering projects, extending into process improvement and process management, even into supply chain logistics management. In the book, you ll get a stunning inside look at what s going on in your projects: The root causes of late projects and how to systematically identify and weed them out. How any project can be turned around quickly How to eliminate the silo effect in project teams, streamlining and improving communication...
