Some Scraps of Verse and Prose by Dante Gabriel Rossetti (Classic Reprint) (Paperback)

Filesize: 4.16 MB

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Aliya Franecki)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Some Scraps of Verse and Prose by Dante Gabriel Rossetti In 1886 I edited and brought out The Collected Works of Dante Gabriel Rossetti, both verse and prose, original and translated. Into those two volumes I put the works which my brother had published during his lifetime, and also a moderate number of other writings which he had not published, but which I esteemed suitable for appearing in such a form. Some other things of his, remaining in my possession, were advisedly excluded. As much diversity of opinion exists on questions of this kind, it may be as well to explain my position in the matter. My own personal opinion is as follows: If a writer has attained a certain standard of merit and reputation - and I hold that my brother had attained that standard - all that he wrote, good, bad, and indifferent, should sooner or later be published; omitting only such productions as from their subject or treatment (apart from the direct question of literary merits or demerits) may be unsuited for the public eye. The good things should be published because they are good; the bad or indifferent because they are interesting or curious as coming from an eminent man. They are documents subserving the man s biography, and may from that point of view be as important to reflect upon as even his best performances. A sensible editor would of course give some adequate intimation as to what he considers indifferent or bad, so as to safeguard from misconstruction both his author and himself. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more...
