Outskirts Press, United States, 2006. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Gray Matters: Poems Conservative 1977 - 2007 The poetry of the conservative is missing from the landscape. That is unacceptable in a society averse to censorship and open to all views. To the literary intelligentsia, the term conservative poetry is an oxymoron. Why, in the interest of intellectual and artistic freedom and of vibrant and viable debate, should this be so? Representing thirty years of observation, research, study, analysis, and writing, Gray Matters offers a thought-provoking examination of both conservative and liberal ideas, players, and sociopolitical/religious issues-neither side escaping scrutiny of the morally bankrupt, the hypocritical, and the intellectually or philosophically indefensible.
