Dimensions: 9.0in. x 6.0in. x 0.5in.I suppose we shall have to do the same, when we get into the enemys country, here. That is really the only similarity between the two expeditions. The country, too, was mountainous and, except in the valleys, there were few trees; while here we tramp along in single file, through what is little better than a swamp, and only get an occasional glimpse of the sky through the overhanging foliage. Of course it is hot in Northern India, very hot sometimes; but it is generally dry heat, quite different from the close, muggy heat of the forest. However, they say that when we have once ascended the Adansi hills, matters will be better. I hope so, Bullen. I found it so close today that I would gladly have got rid of all my clothes, which were so drenched with perspiration that I could have wrung them. We shall have other things to think about, however, when we get across the river; for you dont think of minor inconveniences when, at any moment, a volley may be poured into you from the bushes. This item ships from La Vergne,TN. Paperback.
