She often admired his loving actions toward his children, believing they were very fortunate. From the day each child was born, Jason was involved in every aspect of their lives, from changing diapers to buying clothes, and never complained. But his role as a loving, kind, and wonderful father was a well-crafted illusion. The truth is, Jason was living a child molesters dream. He not only grew his own victim, but bonded with her, dominated her, and had unsupervised access to her tiny body for hours at a time. His true motives were never seen by his trusting wife, who saw only what Jason wanted her to see. Child Sexual Abuse How high are the numbers The United States Department of Justice states 1 out of 3 girls and 1 out of 5 boys will be molested before the age of 18. Strangely, these numbers provide comfort to parents, leading them to believe their children are not likely to be victims of a child molester. They teach their children about stranger danger and good touch, bad touch and think its sufficient to keep their children safe. What they dont understand is that more than 90 of molested children know their molester, and wont acknowledge abuse even if asked point-blank. Shockingly, almost half of molestations are by a trusted relative. Stranger danger accounts for less than 10 of all sexual abuse....
