Actual Consciousness

By Honderich, Ted

Oxford University Press. Book Condition: New. What is it for you to be conscious? There is no consensus in philosophy or science: it has remained a mystery. Ted Honderich develops a brand new theory of consciousness, according to which perceptual consciousness is external to the perceiver. It exists in a subjective physical world dependent on both you and the objective physical world. Num Pages: 432 pages. BIC Classification: HPM; JMTC. Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
