Read this very mysterious story to try and discover what is wrong with Alicia! You will enjoy a plot full of suspense from the very first page through to the very last words of the very last page! This book is written in a unique style that will put you at the heart of the action of this moving and intriguing story. Will Alicia start to speak again? The author is really thrilled to see that the vast majority of his readers are proving him right to persevere with his refreshing style, as the very positive customer reviews on demonstrate: INTRIGUING STYLE FROM A DARING NEW WRITER! As a fan of quirky and original storylines, Adriano s style doesn t disappoint. Grabbing the reader from the start with a need to know Alicia s secret. He provides just that right of semi-realistic data., to soothe the reader into a mood of acceptance, and his poker face attitude towards the strange and improbable events which records is also exactly calculated.
