Lectures Against Sociolinguistics (Paperback)

By Rajendra Singh

Peter Lang Publishing Inc, United States, 1997. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. Lectures Against Sociolinguistics exposes the very serious limitations of sociolinguistics as we know it. Its twelve lectures critically examine the standard sociolinguistic ways of exploring several intersections of human linguisticality and sociality (variability, inter-ethnic and cross-sex communication, language-contact, and native / non-native speech, etc.). In addition, this book outlines a linguistically and sociologically less naive sociolinguistics. Dr. Singh argues against correlationism and disguised culturism as sociolinguistics, and invites the next generation of linguists and sociolinguists to undertake a more responsible and meaningful study of the intersection of human linguisticality and sociality.
