Oh! how beautiful did she look then, as gradually the bright returning stream of life flowed more rapidly through her veins, and every moment seemed to bring out some new loveliness. I cannot but think that so must have looked the ivory statue of the Greek sculptor, when his prayer of love was heard, and it was kindled into sudden life. She was changed, much changed since last I saw her: she was now just sixteen; and what a difference one year will make at that period of life! every alteration had been an addition to the beauty that she possessed before: she was now a woman, when I had left her a girl, and the brightness of perfection had been added to the rich...

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
