To download **Grinning Cracks (Paperback)** eBook, you should refer to the web link beneath and save the document or have access to other information which might be have conjunction with GRINNING CRACKS (PAPERBACK) book.

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Thirty-five short works filled with the upsetting and uncanny, from the author of the urban fantasy Sam Brody series (Alliteration Ink) and the horror novella We Shadows Have Offended (Etopia Press). This newly revised and updated second edition includes eight pieces not found in the first release, featuring the never before published stories The Apple Box, Colleagues, and the poems Floater and Il Necromantiosmo. Taylor reimagines both classic, familiar fairytales and superstitions (Abaddon, The Apple Box, Rabbit Rabbit, Trichotomy) and a sequence of Breton folk stories (The Ankou, Bugul Noz, Dahut and the Destruction of Ys, Gradlon, Iannic-ann-od, The Korrigan, Les Lavandieres, The Lovers, The Morgen, and Yan-Gant-Y-Tan). She experiments with surrealist science fiction (Alter Ego, Arcus Senilis, Encounter, Eden) as well as gruesome body horror (Ornithology, Pseudanor), crime noir (the multi-chapter Christmas Wrapping), and a literary fiction cycle based on the concept of the four humors of Hipprocratic medicine (Choleric, Melancholic, Phlegmatic, and Sanguine). Every story deals with the gray zone between wonder and disaster and people on the fringe of society, magic, or their own damaged psyches.
