Brand New Book ***** Print on Demand *****.Volume 2 addresses a kaleidoscope of stories that primarily, but not exclusively, occurred in the United States. It describes in principle the trials, and tribulations of a recent immigrant to the United States, and its derived lessons. The genesis of Letters to Grant was the birth of Grant on the last day of 2009, and the realization of a 70-year-old grandfather, that he has an extremely limited time window for transferring his life lessons to his grandson. Facing this dilemma, this book is the grandfathers attempt to circumvent the time problem by means of specific actual short stories and derived general lessons. Letters to Grant starts with stories that occurred during the prosecution of World War II in Germany and the living conditions during that time, and its impact on the then very young grandfather. The content of Volume 1 deals primarily with family stories, initially the ones that took place in the grandfathers birth country, Germany, and later, the ones that happened in his adopted country, The United States of America. The structure of the book lends itself as a template for other grandparents to write their own unique family stories and general lessons for their grandchildren to learn. The following is a sample of the first 25 lessons derived from the various stories: Lessons for Pre-Teenage Years 1)Let your mother know your feelings about her. It is essential that you tell her frequently how you feel about her and how indispensable she is to you. 2)Your mother will always be your biggest ally. Let her know that you appreciate her efforts. 3)Family is vital; never forget that. 4)Never forget that time together is short and always...
