The Bone Thief (Paperback)

By Jefferson Bass

HarperTorch, United States, 2013. Paperback. Book Condition: New. Reprint. 188 x 104 mm. Language: English . Brand New Book. It seems a routine case for Dr. Bill Brockton, the exhumation of a body to obtain a bone sample for a DNA paternity test. But a shocking discovery awaits Brockton and his colleagues when the coffin is opened: the corpse inside has been horribly violated. The grisly find embroils the Body Farm s founder in a dangerous investigation into a flourishing black market in body parts, as Brockton is recruited for an FBI sting to bring down a postmortem chop shop--using corpses from the Body Farm as bait.But as he descends deeper into a ghoulish empire on the trail of a ruthless grave robber, Brockton faces a devastating choice that could compromise the investigation and place him in even graver peril. And for the sake of a damaged friend--a medical examiner who has lost his hands--Brockton may be forced to risk his principles, his freedom . . . and even his life.
