Catherine D Aquila, United States, 2012. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The book includes stories regarding my children s educational experiences from kindergarten through some years in high school. The text highlights the negative impact of some educators. The second part of the book allowed me to share my experiences as a third grade teacher, highlighting the impact of destructive classrooms and bad teachers. The cover includes inappropriate quotes said by educators at a variety of levels. As you read the stories you learn the story behind the quotes. Summary on the back of the book reads: While raising my children and teaching in a third grade classroom I took mental notes in order to share my experiences in the future. The stories I share are all true and will act as a support system for those parents who may be dealing with similar situations. It is important that we take the power out of the hands of teachers and administrators who are performing in a way that is a complete disservice to the teaching community. It is troubling to imagine children who have to deal with poor educators and imperative that we listen to our children and address cruel intentions unambiguously portrayed by so called professionals within the school system.
