Brand New Book ***** Print on Demand *****.Excerpt from The Advantages and Surroundings of Muskegon Mich: The Material Interests of a Progressive City The center of population for the U. S. is now in the great Lake District. Eight states abutting the great lakes, contain nearly half the population of the 44 states comprising the Union. The four states surrounding Lake Michigan have over ten millions of people - nearly one-sixth of the entire Union - although having an average age, as states, of but 63 years. Muskegon is the third city in population on Lake Michigan, the fourth for marine business; her harbor is accessible in the coldest weather, and location the center of the great Fruit Belt. Michigan produces about half of the iron ore of the Union, nearly all the copper, is first in salt and lumber manufacturing, and capitalists are catching on to the fact that these advantages are sure to bring furnaces, additional iron, wood and other industries of magnitude, to Muskegon, at no distant day. The publication of this volume is to present in condensed form and convenient...
