Structured Credit Products: Credit Derivatives and Synthetic Securitisation (Hardback)

By Moorad Choudhry

John Wiley and Sons Ltd, United Kingdom, 2010. Hardback. Book Condition: New. 2nd Revised edition. 232 x 158 mm. Language: English . Brand New Book. Updated coverage of structured credit products with in-depth coverage of the latest developments Structured credit products are one of today s fastest growing investment and risk management mechanisms, and a focus of innovation and creativity in the capital markets. The building blocks of these products are credit derivatives, which are among the most widely used products in finance. This book offers a succinct and focused description of the main credit derivative instruments, as well as the more complex products such as synthetic collateralized debt obligations. This new edition features updated case studies from Europe and Asia, the latest developments in synthetic structures, the impact of the subprime meltdown, and a CD-ROM of models and teaching aids. Moorad Choudhry returns with this excellent update of the credit derivatives market. The second edition of his classic work is, like the subject matter itself, at the forefront of the financial industry. It deserves a wide readership. Dr Didier Joannas Regional Director, Thomson Reuters, Hong Kong This is the perfect companion for both experienced and entry level professionals working...
