His large plate after Titian s painting of the so-called Himmlische und Irdische Liebe (Profane and Divine Love) may be named among his most successful transmutations of colour into the mellow effects of the mezzotint plate. PROFESSOR UNGER is generally regarded as the senior etcher and tutor of a generation of gifted juniors. In fact he has inspired quite a number of younger men to work with the engraver s tools, and it would appear, from the entirely independent way in which several of his pupils and friends have developed in different directions, that his tuition and advice have not exercised any restrictive influence upon the individuality of the talents placed under his care, but, on the contrary, have been helpful in allowing free scope for each talent to find its own way by following its peculiar inclinations....
