The vast territory into which these hardy soldiers of fortune penetrate is no less replete with wonders than the fabled land into which Jason is said to have led his band of adventurers. There is this difference, however, between the frozen land of the North and the fabled land of mythology. There is nothing conjectural about Alaska or its golden treasure. Jason led his band into an unknown country without the certain knowledge that the treasure he was seeking was there. - A.C. Harris, author of Alaska and the Klondike Gold Mines (1897) One of the most important and memorable events of the United States westward push across the frontier came with the discovery of gold in the lands that became California in January 1848. Located thousands of miles away from the country s power centers on the East Coast at the time, the announcement came a month before the Mexican-American War had ended, but it brought an influx of an estimated 90,000 Forty-Niners to the region in 1849, hailing from other parts of America and even as far away as Asia. All told, an estimated 300,000 people would come to California over the next few years, as men dangerously trekked thousands of miles in hopes of making a fortune, and in a span...
