Excerpt: .purer part; Which knows ev n Beauty when half-veil d is best, ---Like her own radiant planet of the west, Whose orb when half retir d looks loveliest. There hung the history of the Genii-King, Trac d through each gay, voluptuous wandering With her from SABA s bowers, in whose bright eyes He read that to be blest is to be wise;-- I Murphy s work, too, we find that the Arabs of Spain had no objection to the introduction of figures into painting. This is not quite astronomically true. Dr. Hadley (says Keil) has shown that Venus is brightest when she is about forty degrees removed from the sun; and that then but only ajburth part of her lucid disk is to be seen from the earth. 1 For the loves of King Solomon (who was supposed to preside over the whole race...
