Oxford University Press Southern Africa. Paperback. Book Condition: new. BRAND NEW, Introduction to Work Psychology, Ziel C. Bergh, Ziel Bergh-Unisa, Work Psychology: an Introduction is a less dense version of our very successful Psychology in the Work Context 4e. It provides a conceptual framework for understanding work behaviour and relationships. This new textbook includes practical application of theory using relevant workplace examples, and has more HR perspective than Psychology in the Work Context. It contains a good balance of psychology and industrial psychology, which gives the text more substance than its competitors.
