It is all redolent of youth in its subject, its style, and its spirit. It is a tale of mutually youthful love, impetuous, ardent, passionate, rapturous, - yet lender, imaginative, idolatrous, - where each of the lovers is the sole object of the other s existence, and both of them reckless of all else, even of life itself. It is not until death is about to cast his mantle over the loves of the young and beautiful and brave, that the Poet suffers either his own mind or his reader s to repose from the constant excitement of passion, wit, or fancy. It is this buoyancy of spirit, this luxury of language and imagery, this fervid activity of intellect and of fancy, that mark Romeo and Juliet as a work of the great Poet when just arrived to the full possession and confidence of his strength, yet still immature in experience and knowledge; quite as much as the numerous conceits depraving his pathetic strains...
