Addax Publishing Group,U.S. Paperback. Book Condition: new. BRAND NEW, John Elway: Armed and Dangerous: Revised and Updated to Include 1997 Super Bowl Season (Revised edition), Clay Latimer, John Elway is the NFL's consummate quarterback. He consumes opponents with his legendary arm, dashing runs, and incredible will to win.His statistical feats made him suitable for framing at the Hall of Fame long ago. His miracle fourth-quarter comeback victories have become commonplace. His mountain-man ruggedness has endeared him to both peers and fans, who saw him lift the Denver Broncos onto his back and then carry them to three Super Bowls, the closest thing to a one-man team in modern times.But Elway has tested the ultimate boundaries of his will and skills in ways he never could have imagined at Stanford, where he was college football's ultimate Golden Boy.When he arrived in the NFL in 1983, many scouts believed he has the potential to "be the best quarterback ever." Later Elway would come to clash with coach Dan Reeves, whose constricted, conservative offense sheathed his brilliance. Later, Elway would cry out, "I'm suffocating!" because of the relentless scrutiny of Denver's media, which reported hi life as thoroughly as the Washington press corps does the President's.But Elway also developed into one of the greatest football players of any time, and into a timeless hero...
