Education is then the supreme interest of the age. It is only recently, since republican principles are accepted as the true foundation of right government, that the education of all the youth has come to be regarded of prime importance. The proper interest in the cause of education is just beginning to be felt by all classes of people. And although in the last twenty-five years much has been written, yet we are a long way from the Science of Education. In the mean time it is fitting that teachers should help one another, by the exchange of ideas. It is...
