In Happy, authors Bill and Em Johnson present the simple truths about being happy. They show you how to turn impossible dreams into realities, gain more faith than fear, more trust than suspicion, and be filled with rich experiences rather than poor excuses. Through quotes, tips, advice, and anecdotes from professionals, authors, historic figures, and the Bible, Happy communicates that the garments of love and happiness never fade and that genuine love and happiness is cheap enough, even though we pay dearly for its counterfeit. It demonstrates how the happiest people think happy, look happy, talk happy, walk happy, and act happy, and it returns to them in abundance. An open door that invites you into lasting happiness, Happy provides a host of basic principles to guide you to becoming a happy person-a special gift to others.
